Join individual members from various Veteran organizations and community groups as we come together once again to show America, these heroes will be forever remembered.

gathering for the upcoming 66th ARMISTICE Salute of July 1953

Remembering our Forgotten

Synopsis: *In 1986 from an idea by Korean War veteran Ed McCarthy created an inspiration along with the **Windy City Veterans Association**. Two years later after several blockbusting fundraisers that followed, the very first memorial known to have been built in the USA was dedicated in Chicago on September 15, 1988, in memory to both men and women who had served during the Korea War.*
