

VETERANS AFFAIRS COMMITTEE REPORT, FEB., 2019

by

Larry E. Nazimek

1. As of this writing, there are now 36 cosponsors for H. R. 96, that would require the VA to treat dental care the same as other medical specialties. With one exception (Cong. Reed, NY), all of the cosponsors for H. R. 4556 (predecessor bill in the previous congress) who are still in congress, have signed on to the new bill. We still need more cosponsors, so do whatever you can.

2. The Chicago Wolves will be having their annual Salute to Military Families Night on Saturday, March 30, which will include an expo prior to the game. Details on their web page are not up yet, so you won't get what you expect if you click on their link. Try again in the near future. When I find out that the link for registration is good, I will spam it out.

3. On Feb. 9, Mark Weiman and an oral surgeon were guests on the America's Heroes Group program on WVON.

4. On Feb. 2, I attended a candidates forum, where Alderman Gilbert Villegas, Chmn of the City Council's Veterans Caucus, was present. I spoke with him after the forum and gave him my CVO card. He will work with us in the future, like after the election.
