To whom it may concern:

For the upcoming election, the Coalition of Veterans Organizations invites all candidates to submit statements concerning their positions on veterans' issues, and their statements will be posted on our website. There are some issues, such as the privatization of the Veterans Administration Health Care System or its funding (i. e., mandatory versus discretionary) that would only apply to the national level, while issues like employment and dental care apply to all levels of government.

On the national level, bills that we are tracking include H. R. 96 (that would require the VA to treat dental care like the other medical specialties), H. R. 3932/S. 1573 (that would waive copays for preventive care), and H. R. 6845/S. 3724 (that would waive copays for COVID-19 care). We need co-sponsors for these bills!

Statements can be emailed to our webmaster at: webmaster@coalitionofvets.org .

Sincerely,

Larry E. Nazimek
